

**I.I.B.A. - CORK ZONE**

**NEWS SHEET MON. 12<sup>th</sup> February, 2018.**

**MESSAGE FROM THE ZONE CONVENER:**

**As the flu is still circulating and reports from the HSE suggest that it is expected to be in circulation for the next 5 or 6 weeks, may I suggest that it would be in the best interest of bowlers if we were to follow the lead of Churches and other sporting associations by suspending the tradition of shaking hands before and after games – say until the end of March. Instead we could wish our opponents a pleasant and enjoyable game. Hopefully, this might help stop the spread of germs.**
