CLUB CHAMPIONSHIP 2019

Date: 2 November

2 Rink Competition

Venue: Belfast Indoor Bowls Club

Please note changes to the entry criteria:

- Each zone may enter **TWO** teams of **two** rinks and may add further team(s) in reserve. Reserve places will be allocated on a first come basis once the closing date has passed.
- Players cannot enter both Club competitions.
- Each team must identify their players. The Competition Secretary must be made aware of any alteration to the original team before any game commences.
- Players can enter this competition by:
EITHER playing for the club they have entered or were eligible to enter the 2018/19 national championships
OR by virtue of having played 75% of last season's league games for the club. If a player enters under this guideline, evidence **MUST** be available to the Zone Convenor to verify a 75% record. Unless such proof is provided, the player **CANNOT** play for that team.
- Clubs must ensure that subs are listed. In the event of any member of the original team not being available, the sub must come from the list of reserves on the entry form.
- Each team should bring a non-playing person with them who will report to the Umpires table to assist with umpiring duties.
- All players should have signed the GDPR form within their own club.
