

## **CORK ZONE - I.I.B.A.**

### **MEMO FROM THE ZONE CONVENER - 16<sup>th</sup> AUGUST, 2020**

**To avoid any misunderstandings that may arise it should be noted that all affiliated bowling clubs in the Cork Zone - IIBA should not organise social bowling at club level. The IIBA, like other bodies is subject to the guidelines issued by the Government and relevant bodies, in their case Sport NI and Sport Ireland. The IIBA await decisions from these bodies. As soon as these guidelines come to hand I will contact clubs immediately - until then sorry no bowling.**

**Keep safe.**
