

**Memo From: Hazel Foley, Cork Zone Convener**

**To Club Secretaries re Commencement of Indoor Bowling.**

Following the announcement by the Irish Government last evening that indoor sports could recommence from Monday 20<sup>th</sup> September, 2021 documentation is being prepared by Sport Ireland in conjunction with the Irish Indoor Bowling Association. To enable Indoor Bowling to commence the relevant forms must be completed by Clubs and returned to their Zone Convener for approval before any club play can commence.

This documentation should be available to Conveners for distribution to Club Secretaries early next week. I will be in contact with you again as soon as I receive this documentation from the I.I.B.A.

Hazel Foley – Cork Zone Convener

1<sup>st</sup> September, 2021.
