The Irish Government have issued the following statement regarding indoor group activities.

**From 20 September**

## **Organised indoor group activities**

Organised indoor group activities (sports, arts, culture, dance classes) can take place with capacity limits of 100 people (with appropriate protective measures) where all patrons are immune (fully vaccinated or recovered from COVID-19 within previous 6 months) or accompanied minors (under 18).

Where patrons have mixed immunity status, pods of up to 6 participants will be permitted (excluding adult leaders/teachers).

Multiple pods will be permissible subject to protective measures.

Number of pods will have regard to the size of venue and substantial social distance between individual pods.

The IIBA is liaising with Sport Ireland to review and update the Protocols already in place and will inform Zone Conveners when these have been agreed.
