

**Cork Zone
Irish Indoor Bowling Association**

12th March 2024

Dear Secretary

You may remember at our AGM last year, under any other business, a discussion took place between club representatives to decide if; the Cork Zone should remain associated to the Irish Indoor Bowling Association.

It was agreed on the night that each delegate would return to their club, open a discussion at club level and return to a meeting at a later stage and vote accordingly.

It is my understanding that clubs have been discussing this now for quite a while, following a meeting of the Cork Zone recently it was decided unanimously to call a Special General Meeting, putting the question to each club, and offering a vote.

Please find attached a notice for a Special General Meeting, in The Sacred Heart Bowls Club on Monday 8th April at 8pm

We ask you again to discuss this matter at club level and ensure your delegates are able to vote on behalf of your club on the night.

Yours sincerely
