MEMO TO ALL CLUB SECRETARIES

Dear Club Secretary,

This memo is in order that Secretaries and Players will be up to date regarding Local Competitions and National Competitions which were scheduled to take place in St. Anthonys Hall, Ballinlough on this coming Sat. 30th November/Sun 1st December. Due to Storm Bert last weekend, damage was caused to some sections of the Sports Hall Roof which has developed water leaks in a some sections. As a result the Hall will not be available for bowling competitions until after Christmas.

To allow for repairs to be completed and for Christmas & New Year Festivities to be over, the Local & National Competitions will not recommence until the weekend of Saturday 11th & Sunday 12th January, 2025.

Club Secretaries who have players involved in the various competitions will be contacted with a schedule of matches being played on both of these days.

I am very sorry for any inconvenience caused but these things happen.

Wishing all Bowlers an Enjoyable Christmas & A Happy New Year

Hazel Foley

Cork Zone Convener
