CORK ZONE

16th April, 2026

Dear All,

Strenuous efforts by the Zone Convenor and the Zone Committee to locate a hall where the Local and National Competitions could be held during the 2025/2026 season proved to be almost impossible. After much searching Inniscarra Community Hall was sourced and while the Hall and its facilities were ideal the location was not.

The first priority for the Zone Convenor and Zone Committee was to try and source a new venue for the 2026/2027 season. After much searching to find a suitable Hall the Zone Convenor has now come to an agreement with Carrigaline Community Hall to run the 2026/2027 Local and National Competitions there.

The Zone Convenor and Zone Committee hope that news of this new venue will be welcomed by everybody and they wish to thank Val Todd for her help in coming to an agreement with the Community Centre.

With best regards
